

THIRTEENTH AMENDED PUBLIC HEALTH ORDER 20-38
LIMITED COVID-19 RESTRICTIONS
February 28, 2022

PURPOSE OF THE ORDER

I am issuing this Public Health Order (PHO or Order) in response to the existence of thousands of confirmed and presumptive cases of Coronavirus disease 2019 (COVID-19) and related deaths across the State of Colorado. This Order supersedes PHO 20-36 COVID-19 Dial and PHO 20-29 Voluntary and Elective Surgeries and Procedures, and implements measures to protect individuals, businesses and activities, as well as reporting requirements for hospitals, to prevent the spread of COVID-19 further in Colorado.

FINDINGS

1. On March 10, 2020, Governor Jared Polis verbally declared a disaster emergency regarding COVID-19 in Colorado, and on March 11, 2020 Governor Polis issued **Executive Order D 2020 003**, memorializing the disaster declaration. The Governor's verbal declaration of a disaster emergency is now memorialized in **Executive Order D 2021 122**, as amended and extended by **D 2021 124, D 2021 125, D 2021 129, D 2021 132, D 2021 136, D 2021 139, D 2021 141, D 2022 003, and D 2022 010**. Since that time, the Governor has taken numerous steps to implement measures to mitigate the spread of disease within Colorado, and has further required that several public health orders be issued to implement his orders.
2. As of February 27, 2022, there have been 1,311,061 Coloradans diagnosed with COVID-19, 59,804 have been hospitalized and 12,439 Coloradans have died from COVID-19. There are 369 individuals currently hospitalized due to COVID-19, and 964 hospital beds remain unoccupied across the state. At this time, 87% of Colorado's intensive care beds are occupied and 89% of medical/surgical beds are occupied.
3. With the pandemic ongoing, it remains critical for individuals, communities, businesses, and governments to remain vigilant regarding the spread of COVID-19. Individuals are encouraged to get vaccinated and boosted if eligible, remain at least 6 feet away from non-household contacts whenever possible, wash their hands, and wear a face covering to reduce the likelihood of disease transmission. As we continue to combat COVID-19 in our communities, continuing some limited requirements to mitigate disease spread remain appropriate.
4. The following additional public health orders remain in effect:

Thirteenth Amended PHO 20-38 Limited COVID-19 Restrictions
February 28, 2022

- a. PHO 20-20 Requirements For Colorado Skilled Nursing Facilities, Assisted Living Residences, Intermediate Care Facilities, And Group Homes For COVID-19 Prevention And Response;
- b. PHO 20-33 Laboratory Data Reporting for COVID-19; and
- c. PHO 21-01 Vaccine Access And Data Reporting For COVID-19.

5. This Order is being extended for an additional two weeks in order to allow time to incorporate where appropriate relevant portions of [Colorado's Next Chapter: Our Roadmap to Moving Forward](#) as well as the new federal guidance on masking.

INTENT

This Order includes measures for individuals and businesses to mitigate the spread of COVID-19 in Colorado. The Order continues to require face coverings in some settings. Additionally, the Order maintains some additional protections for certain activities while we continue to take steps to limit the spread of COVID-19 in Colorado. The Order also includes hospital reporting requirements regarding bed capacity to provide the State with critical information to assess the status of the COVID-19 pandemic relative to the statewide capacity to provide necessary medical care and services to Coloradans.

ORDER

This Order superseded and replaced Public Health Orders 20-29 and 20-36, as amended, on April 16, 2021.

I. COVID-19 RESTRICTIONS

A. FACE COVERINGS AND COVID-19 TESTING

1. Face coverings continue to be required for unvaccinated or not fully vaccinated patients, residents, and visitors, and medical grade face masks are required for unvaccinated or not fully vaccinated staff in the following settings that serve vulnerable or at-risk populations:
 - a. Homeless shelters;
 - b. Prisons;
 - c. Jails;
 - d. Community corrections programs and facilities;
 - e. Emergency medical and other healthcare settings (including hospitals, ambulatory surgical centers, urgent care centers, clinics, doctors' offices, and non-urgent care medical structures) and

**Thirteenth Amended PHO 20-38 Limited COVID-19 Restrictions
February 28, 2022**

- f. Public transit services, as described in Section I.A.3 of this Order.
2. Exceptions to the face covering requirements include
 - a. individuals 11 years of age or younger,
 - b. individuals who cannot medically tolerate a face covering, and
 - c. individuals participating in one of the following activities:
 - i. individuals who are hearing impaired or otherwise disabled or who are communicating with someone who is hearing impaired or otherwise disabled and where the ability to see the mouth is essential to communication;
 - ii. individuals who enter a business or receive services and are asked to temporarily remove a face covering for identification purposes;
 - iii. individuals who are actively engaged in a public safety role, such as law enforcement officers, firefighters, or emergency medical personnel; or
 - iv. individuals who are officiating or participating in a life rite or religious service where the temporary removal of a face covering is necessary to complete or participate in the life rite or religious service.
3. Nothing in this Order changes or abrogates the Centers for Disease Control and Prevention’s (CDC) Order on January 29, 2021, requiring the wearing of masks by travelers to prevent the spread of COVID-19. All Coloradans must abide by the CDC’s Order, which can be found at <https://www.cdc.gov/quarantine/masks/mask-travel-guidance.html>.
4. All of the settings and facilities identified in paragraph 1 of this subsection A are strongly encouraged to require all of their unvaccinated and not fully vaccinated staff to participate in COVID-19 testing as follows:
 - a. Daily rapid testing every day that they work in the facility or setting, and/or
 - b. Once weekly polymerase chain reaction (PCR) testing.

B. ALL BUSINESSES AND GOVERNMENT ENTITIES. All businesses and government entities shall comply with the requirements in this Section I.B.

1. Work Accommodations. Employers are strongly encouraged to provide reasonable work accommodations, including accommodations under the Americans with Disabilities Act (ADA) for individuals who cannot obtain access to COVID-19 vaccine or who for medical or other legal reasons cannot take a COVID-19 vaccine.
2. Face coverings. All employers must implement the face covering requirements in Section I.A of this Order, as applicable.
3. Disease mitigation practices. Employers and sole proprietors are strongly

encouraged to follow the best practices for disease mitigation found in [CDPHE Guidance](#).

C. SCHOOLS

1. In accordance with existing law, **Schools** shall report all COVID-19 cases and outbreaks to public health, and work with their local public health agencies and CDPHE, as applicable, regarding COVID-19 case investigations, which includes following all quarantine, isolation, investigation, and any other disease mitigation strategies deemed necessary by the public health agency.

D. Repealed.

E. ADDITIONAL COUNTY RESTRICTIONS

1. CDPHE may require counties whose resident hospitalizations threaten to exceed 85% of hospital or hospital system capacity to report additional data and consult with CDPHE regarding implementation of additional measures to mitigate disease transmission.

F. NON-CONGREGATE SHELTERING

1. Governmental and other entities are strongly urged to make shelter available to people experiencing homelessness whenever possible and to the maximum extent practicable, and are authorized to take all reasonable steps necessary to provide non-congregate sheltering along with necessary support services to members of the public in their jurisdiction as necessary to protect all members of the community.

II. HOSPITAL FACILITY REPORTING

- A. COVID-19 Case Reporting. All Colorado hospitals shall report to CDPHE in a form and format determined by CDPHE, certain information for all suspected (pending laboratory test) and confirmed (positive laboratory test) cases of COVID-19, including but not limited to:

1. race and ethnicity;
2. numbers of suspected and confirmed cases who are hospitalized, who are hospitalized and using a ventilator, or who are in the emergency department waiting for an inpatient bed;
3. numbers of suspected and confirmed cases who are discharged and in recovery;
4. deaths due to COVID-19;

**Thirteenth Amended PHO 20-38 Limited COVID-19 Restrictions
February 28, 2022**

5. medical equipment and supply information, including but not limited to total bed and intensive care unit (ICU) bed capacity and occupancy, ventilator availability and utilization, and availability of N95 masks; and
6. COVID-19 vaccination status, including primary, additional and booster doses, and age.

Reporting by hospitals shall be done in CDPHE's EMResource reporting system on a daily basis, Monday through Friday each week, or as otherwise required by this Order.

B. Hospital Bed Capacity Reporting. All Colorado hospitals shall report to CDPHE the following in EMResource daily, Monday through Friday each week, at 10:00 a.m.:

1. The daily maximum number of adult and pediatric beds that are currently or can be made available within 24 hours for patients in need of ICU level care; and
2. The daily maximum number of all staffed acute care beds, including ICU beds, available for patients in need of non-ICU hospitalization.

III. VACCINATION REQUIREMENTS

A. State Contractor Workers. All **State Contractors and State Contractor Workers** who physically enter a residential or congregate care **State Facility** shall comply with the requirements of this section III.A.

1. All **State Contractors and State Contractor Workers** who physically enter a residential or congregate care **State Facility**, including individuals who have been infected with and recovered from COVID-19, shall verify their COVID-19 **Vaccine** status. **State Contractors** shall identify by name all **State Contractor Workers** who enter a **State Facility** as a goods or service provider to an individual in a residential or congregate care **State Facility**. **State Contractors** shall certify, in a form acceptable to the State as determined by the Department of Personnel and Administration or its delegate, the **Vaccine** status of each of the identified **State Contractor Workers**.
2. Proof of Vaccination. Any of the following may be used as proof of vaccination:
 - a. COVID-19 Vaccination Record Card (issued by the U.S. Department of Health and Human Services Centers for Disease Control & Prevention or World Health Organization Yellow Card) which includes name of person vaccinated, type of vaccine provided and dates of last doses administered);
 - b. a photo of a COVID-19 Vaccination Record Card or immunization record obtained from the Colorado Immunization Information System (CIIS) as a separate document;
 - c. a photo of a COVID-19 Vaccination Record Card or immunization record obtained from CIIS, either directly or through the MyColorado application

or another verified health application, stored on a phone or electronic device; or

- d. documentation of COVID-19 vaccination from a health care provider.

The Federal Bureau of Investigation issued a [public service announcement](#) confirming that fraudulent vaccination cards are illegal and punishable by law, including fines, imprisonment, or both.

- 3. **State Contractors and State Contractor Workers** who are not **Fully Vaccinated**, or for whom **Vaccine** status is unknown or documentation is not provided, shall be considered unvaccinated.
 - a. **State Contractors and State Contractor Workers** who enter a residential or congregate care **State Facility** to provide services to a client, resident, patient or youth in the residential or congregate care **State Facility** who do not have proof of vaccination and also do not have a medical or religious exemption from vaccination approved by their employer shall not be allowed to physically enter the residential or congregate care **State Facility** but may provide services remotely.
 - b. **State Contractors and State Contractor Workers** who enter a residential or congregate care **State Facility** to provide services to a client, resident, patient or youth in the residential or congregate care **State Facility** who have a medical or religious exemption from vaccination approved by their employer must participate in twice weekly COVID-19 testing and, if they test positive, shall not enter a residential or congregate care **State Facility** and shall comply with [isolation guidance](#). **State Contractors** shall certify, in a form acceptable to the State as determined by the Department of Personnel and Administration or its delegate, that each of the identified **State Contractor Workers** who enter a residential or congregate care **State Facility** who are not **Fully Vaccinated** and have a medical or religious exemption from vaccination approved by their employer are participating in twice weekly COVID-19 testing. **State Contractor Workers** shall provide documentation of testing if requested while in a **State Facility**.
- 4. **State Contractors and State Contractor Workers** shall comply with any face covering requirements in place at the residential or congregate care **State Facilities** they enter.
- 5. **State Contractors and State Contractor Workers** who do not enter a residential or congregate care **State Facility** shall no longer be required to provide attestations on their vaccination status, are no longer required to participate in twice weekly COVID-19 testing, and are no longer required to wear face coverings, though they may still wear face coverings if they choose to do so.
